

Registered Nurses and Paramedics

Are you looking for a fun healthcare job? Look no further! Drip IV Utah is looking for motivated registered nurses and paramedics who are passionate about health to add to our family! Want to have a flexible schedule, work with a great company, and treat the best patients around? We were established in 2019 and currently service 4 counties in Utah, but are quickly expanding to serve as many people as we can. Drip services clients in their own home, giving them a level of comfort that cannot be achieved in a clinical setting. Each IV package has been carefully formulated with our medical director to benefit each of our client's needs! Nurses and medics will perform tasks including checking and monitoring vitals, starting IVs, and administering fluids and vitamins. We aim to provide excellent service to our clients, and are looking for fun and friendly healthcare professionals with IV experience who are willing to help us achieve this goal.
